Your Society

Your Society, which is responsible for the Busselton Show, is 149 years old this year.

We would like to take a little of your time to tell of the tireless workers behind the Busselton annual agricultural show.

Mr Wally Lord was elected President at the Society's AGM held in February 2002. Wally was also President of Society for 4 years in the early 80's. Derek had been in the chair for 17 years. Derek and his wife Pat have served tirelessly on the committee for many years and will continue in the capacity of Vice President and committee person, respectively.

Elected to the two positions of Vice Presidents were Mr Ean Osborn and Mr Derek Snowdon.

The committee is made up of 19 elected members - all who serve in a voluntary capacity in the many facets of organising an annual show. Committee members meet monthly, but there are many tasks that require attention outside of those meetings and all members willingly give of their time.

At show time, there are many more volunteers who just 'turn up' to set up the displays, clean out animal stalls, tidy up the grounds and do the many and varied things that are required that special week prior to the Friday/Saturday show.

The majority of exhibition judges are volunteers. Judges come from many areas in the state and give of their expertise willingly. They are provided with accommodation and travelling costs and some judges do not even accept those benefits – preferring to donate their time to make the show a success.

Please take a moment of your time to appreciate the efforts of the many volunteers who have made the Busselton Show the success that it is today, and hopefully will continue to be in future.
